

Director, Port Environmental:

Bob Musser, Jr.

Agency:

Canaveral Port Authority

Bob Musser has more than 16 years of maritime environmental experience and nearly 30 years combined in the environmental, marine science, safety, and engineering fields. He has held key leadership positions at Port Tampa Bay and Port Everglades and he currently serves the Canaveral Port Authority as the Director of Port Environmental, overseeing all environmental and ecological functions and procedures associated with operations and planning. He is the past Chairman of the Florida Ports Council Seaport Environmental Management Committee and is currently serving as the Vice-Chair and Quality Partnership Initiative lead with the U.S. Army Corps of Engineers through the American Association of Port Authorities Harbors and Navigation Committee and is also a member of the AAPA Environment Committee.
