

Join the Southeast Coastal Ocean Observing Regional Association!

10% off membership for SECOORA's 10-year Anniversary

SECOORA is designed by stakeholders, for stakeholders. Our members influence and guide all our endeavors to help make us a trusted source for coastal ocean information in the Southeast. With over 40 members, SECOORA is able to work towards our mission: observe, understand, and increase awareness of our coastal ocean - promoting knowledge, economic and environmental health through strong regional partnerships. Together, SECOORA has the power to create change. Become a SECOORA member today - contact debra@secoora.org.

Why should you become a SECOORA Member?

Influence

As one of the 11 IOOS ocean observing systems, SECOORA helps set national priorities. Our members have a platform to voice monitoring gaps, write national observing plans, and advocate for regional needs.

Partner

SECOORA is a community of organizations, achieving success through partnership among members and other stakeholders. We promote and leverage member initiatives and are eager to work with our members to create successes.

Network

The SECOORA network is composed of leaders in coastal ocean sciences. We host an open annual meeting, support events, and share opportunities where members can network with other professionals in the field.

Membership Dues*

Membership dues for fiscal year July 1, 2017 to June 30, 2018:

\$3,000 annually for Sustaining Members

\$1,000 annually for Institutional Members

\$250 annually for Individual Members

*Please note that Affiliate Members do not pay membership dues.
