

Supporting the Blue Economy - SECOORA Annual Meeting

Hyatt House Charleston/Historic District, 560 King Street, Charleston, SC 29403

May 22-24, 2018 | [Website](#) | *Speaker Biography*

Dr. Scott Harris

Dr. Scott Harris
College of Charleston

As faculty within the Department of Geology and Environmental Geosciences at the College of Charleston, Dr. Harris studies coastal plain and continental shelf landscapes, sea-level history, and paleogeography with an eye to stratigraphy, sedimentology, and geoarchaeology. He is also the Director of Archaeology at the College, a member of the Master of Environmental Studies program, and co-director of the BEAMS program. His undergraduate geology degree comes from the College of William and Mary in Virginia, with a MS in Environmental Science from the University of Virginia, and a Ph.D. from the University of Delaware.
