

# Extreme Events, the Blue Economy, and Ocean Observations

Public Forum (free event)

May 23, 2018, 6:30 - 7:15 PM

How do resiliency efforts reduce risks and what ocean data supports those efforts? Join us for a discussion on how extreme events impact the blue economy - including businesses, communities and marine life.

## Welcome Remarks

Charleston's Mayor  
John Tecklenburg

## Panelists

**Sarah Pickhardt**  
*South Carolina Emergency Management Division*

**Omar Muhammad**  
*Lowcountry Alliance for Model Communities*

**Kelly Thorvalson**
