Biographies: Herbert Maybank

Resident, Council Board Member, Community Liaison Officer: Rosemont Community. Board Member & Vice-Chair, CCRAB. Serves on City of Charleston/USACE Sea Wall Committee.

- I am a retired resident in the city of Charleston, Rosemont community. I have sat on the neighborhood council's board for eight years and in the past six years served as the community Liaison Officer to the different agencies/groups who wish to provide information/resources to the community that would improve the residents' quality of life. I am a seven year board member and just recently elected as Vice-Chair of Charleston Community Research to Action Board (CCRAB) the research partner of Lowcountry Alliance Model Communities (LAMC) an environmental justice (E. J. Strong) a non-profit group. I, also, serve on the City of Charleston/ Army Corp of Engineers Sea Wall committee. All my serving are voluntary, remembering my humble beginnings and the willingness to give back with the hope of raising the quality of life for all communities.

Biographies: Jonathan Lamb

NOAA NWS, Charleston WFO Meteorologist

- Jonathan has been a meteorologist at the National Weather Service in Charleston, SC office since 2005. When not forecasting or issuing warnings, he is busy with IT system administration, scripting, and finding better ways to visualize information to help the forecasters.

Biographies: Najeema Washington

CCRAB Community Research Director

- Najeema Davis Washington currently serves as the Community Research Director for the Charleston Community Research to Action Board (CCRAB). She is a native Charlestonian whose passion for social justice began as the child of Civil Rights Era educators. Najeema is a Phi Beta Kappa graduate of Spelman College and holds a Master of Public Administration from the University of North Carolina at Chapel Hill. She has enjoyed a professional career that includes over 15 years of federal government service at the Government Accountability Office, experience in higher education, and now environmental justice. Najeema also enjoys cycling, and is a co-founder of Black Women Bike DC. She is a member of Delta Sigma Theta Sorority, Incorporated.

Biographies: Nicole Elko

ASBPA Executive Director

- Dr. Nicole Elko is Executive Director for the American Shore and Beach Preservation Association (ASBPA); President of Elko Coastal Consulting based in Folly Beach, SC; an Executive Director of the U.S. Coastal Research Program, and Administrator of the S.C. Beach Advocates. Dr. Elko has 25 years of experience, leading many coastal resilience projects along the U.S. Southeast and Gulf coasts. She served on Governor McMaster's S.C. Floodwater Commission. Dr. Elko is presently serving as an emeritus civilian member of the U.S. Army Corps of Engineers' Coastal Engineering Research Board (CERB) and also as a member of NOAA's Hydrographic Services Review Panel (HSRP).

Biographies: Shawn Smetana

Charleston County Director of Innovation

- Shawn Smetana started his new role as the Innovation Director in 2022. The position is tasked with improving internal and external processes and procedures to make Charleston County operate more efficiently. He started in 2013 as the Communications Coordinator before being promoted to Public Information Officer in 2015. Shawn also spent two years as Deputy Director of Environmental Management in 2020 overseeing administration and public outreach.

Biographies: Skip Mikell

*CCRAB Board Chair and President of Union Heights,
Windsor Place and Howard Heights Neighborhood Association*

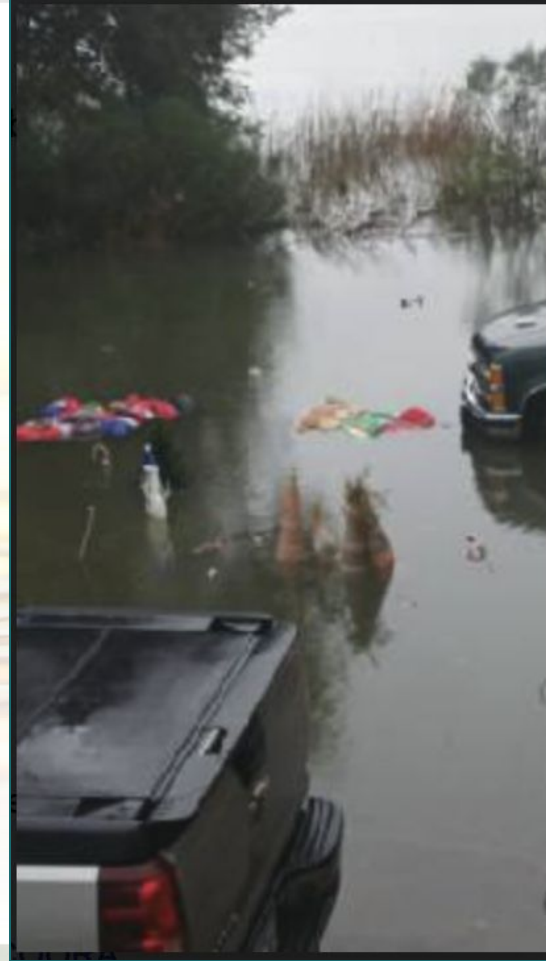

Documenting flooding in a park that “does not flood”

4.24.20 7:26pm

Whaley Way, Rosemont, 12/17/23

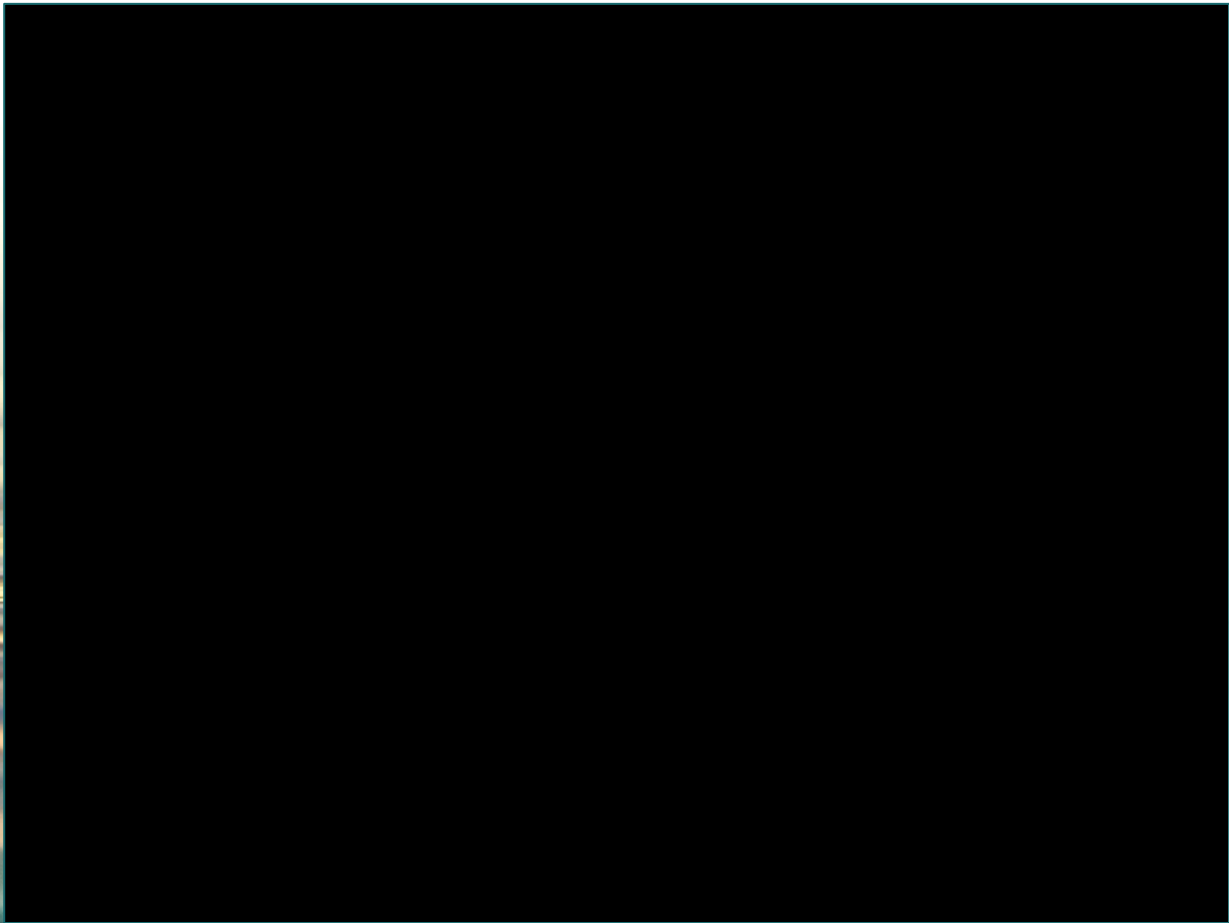

Odessa St., 12/17/23.

Doscher Ave, Rosemont.

Rosemont: Peace St & Austin Ave.
