

# Donation and Meeting Sponsorship Opportunities

The FACT Network’s annual meeting brings together students and professionals using telemetry to study aquatic animal movements. Featuring research presentations, workshops and industry insight, this event offers a unique sponsorship opportunity to broaden participation and connect with our community.

## Who We Are

The FACT Network is a cooperative group of aquatic scientists and stakeholders using telemetry to track, understand, and conserve fish and sea turtles.

Founded in 2007, it has expanded to include the southeastern U.S., Bahamas, and U.S. Caribbean, with over 300 members from nearly 100 organizations.

## Why Sponsor Us

### Intimate Audience

Sponsors can directly interact with a targeted group, fostering meaningful connections and opportunities.

### Brand Recognition and Expansion

Your brand gains visibility among key attendees, potentially leading to increased awareness and growth.

### Fun and Engaging

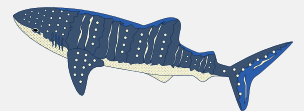

Our meetings are always fun, offering a lighthearted way to engage and network with others.
